1.	Finishing up the whole process	Amarthiga K
2.	Finishing up the whole process	Gulshan Kumar
3.	Finishing up the whole process	Chavala Renuka
4.	Finishing up the whole process	Krupa MH
5.	Finishing up the whole process	Kiran Kumar

Important Notes:

- Everyone in the team should update their daily done works in **Github repository - DailyUpdates** in TeamB's GitHub account
- Team should explain and update their status of work in the daily stand-up meeting.
- Team should follow the pre-defined templates for frontend which designed by our team
- Team members can clarify their doubts and complications with other teammates any time.
- Fields for Database collections, Interfaces model and Name format for apps and all - refer Updated BRS Document.
- All the codes will be merged into the **GitHub repository - VoizFonica → Branch: Master** only after every work and testing has completed.
